

Sheffield Family Support Group (FSG)

We are a small group of parent volunteers who bid for grant funding to provide fun and healthy sporting activities for families with children (0-25years) who have a learning disability.

To date we have arranged trampoline, taekwondo and swim-party sessions at no cost to the families who take part.

We provide activities for the whole family to enjoy together, in a relaxed and supportive environment and with trained and sensitive staff support from SIV (Sheffield International Venues).

If you are interested in getting more information, please contact us at: fsgswimming@outlook.com
