

Peer Support Service

for families of children & young people with SEND

Available to all parents and carers of children and young people (0-25 years) with additional needs in Sheffield. A formal diagnosis is not required.

- Information, advice, and signposting to relevant services.
- Confidential one-to-one support via phone, video call or face-to-face meetings in a community space.
- Information sessions about common issues.
- Peer Support Groups where parents and carers can meet others who face similar challenges.

I cannot thank you enough for the call today, it's been so nice just to talk things through and have a plan.

I feel so much lighter after talking to you today.

The information session helped me feel much more empowered to advocate for my child

It's so good to talk to someone who has faced similar challenges

I really value the time you give me
